AL WATANIA AL ARABIA

BUILD. CONT.

COMPANY

Al Wataniah Al Arabia Bldg. Corp. was founded as a contracting firm in Sharjah. From

its professional engineering, Al Wataniah Al Arabia Bldg. Corp. emerged to be a success of competitive bid projects and as one of the most reliable construction firms.

Since then, growing freely with its accomplishments, Al Wataniah Al Arabia Bldg. Corp.

has established itself as a specialist in most aspects of the construction industry. Backed

by a selection of the best material providers and carefully chosen sub-contractors, the company completed numerous projects of various types and sizes for the satisfaction of its clients and consultants.

For the purpose of integrating all the construction activities within our company, we minimize our dependencies on various factors to the minimum and to make that saving material prices, we adopted a definite strategy to take every chance to establish our own specialized national water companies.

After the first blossoming phase of completing numerous projects, Al Wataniah Al Iktisafiyah Co. moved into a second phase of achievement and success. The company enlarged its roster of skilled work, man power, qualifications engineers and technicians in addition to developing its assets and equipment. It became more proficient in commercial buildings as well as industrial projects.

As a result, and with Allah's help, our company sustained the success continuing our integration strategy and to minimize our dependency on external success, addition to the Company's abilities which are aimed us to handle larger projects.

COMPANY OVERVIEW

A. As a leading provider of construction services, **Al Wataniah Al Arabiya (Wagat)** provides property owners with efficient construction and maintenance solutions at competitive costs and in due course of time.

B. This company was founded in 1988 in Dubai by a group of engineers and specialists in the construction industry. Ever since, the company remained faithful to its commitment to provide unparalleled construction services and an equally engineering expertise and high ethical standards.

C. **Al Wataniah Al Arabiya (Wagat)** began its journey with its subsidiaries and four business segments:

Structural Concrete

**Steel Construction Offshoring
and General Construction
(Barbati)**

**Electrical and Sanitary
(Barbati)**

Backed by a selection of the best material providers and carefully chosen construction facilities, the company can execute construction projects of various types, sizes and specifications to the satisfaction of its clients.

As a specialist in many aspects of the construction including *Jal Wataniah Building*, Corad expanded its branches from Sharjah to Ajman and Abu Dhabi where the company managed to become a member of group of Companies.

OUR MISSION

The constant endeavor to create an environment within Al-Falakiya Al-Baladia Bldg. Canal Group of Companies that will, in turn, create quality-minded employees and consequently professional top quality performance. By integrating our total quality process throughout our Group, we will become a main provider of quality construction services. By continuously improving our performance, we, by the Grace of Allah, will seek to provide our customers with outstanding project performance. We will gain distinction through quality, competence and work safety.

Our customers can be assured that we will adopt innovative procedures in order to allow continuous quality improvement. All our employees are ardently devoted to seeing that our quality system is a fact in real practices. We will develop our employees' environmental awareness and wish that we will be able to adopt environment-friendly technologies and materials throughout our operations.

We are determined to fulfil our commitments to the best ethical and professional standards and our genuine abilities. We aspire to be a first class, pioneering construction group in the U.K. and to make an opportunity for skilled and talented job seekers.

Our mission is the relentless endeavor to achieve the ultimate quality performance and when we will achieve that, we will have raised our further standards. Al Makhia Group of Companies
